The 2011-2012 Naples Gardens season has arrived. Our returning guests are beginning to multiply as each day goes by. A couple of days ago we were welcomed with a heavy downpour, which raised the water level in our park a tad. I have placed "morning after pictures" in the photo album on my webpage referenced above.

Sally (Rod) Kunkel writes, " Rod had a Heart attack. He was admitted to PICU and scheduled for angiogram Fri. that wound up finally adding stent into circumflex coronary artery. He'll be joining the guys that go next door to hospital for their coagulation studies each month.... a Naples Gardens' activity that includes more guys each year."

Several of our guests have had or will have, knee surgery the past several weeks, and within the next few weeks. Bill Massie, John Tunnell, Sally Kunkel, Howard Slaughter, are done. Judy Santavicca's surgery is scheduled in November.

All seem to be recovering well according to some of the emails I have been receiving. Howard (Janet) Slaughter ask that I print the following note,

Please pass this info. on to Captain Dick and other shuffle boarders. My right knee replacement was successfully done on Sept. 23 and I have been re-habbing ever since, both before being discharged from the hospital October 4, as well as after. Two one-hour sessions next week (Monday and Friday) conclude the deal. I also have arthritis in the right lumbar area of my spine and have been prescribed re-hab sessions which I will do in Florida, soon after getting there. Feel stronger every day and take a pain pill only on days of therapy, so I can drive on all other days.

Janet and I will get there ASAP, which may not be as soon as Nov. 12. Howard Slaughter

Ron (Harriet) Stockhoff sends along the latest on his medical status,

Just had another shoulder replacement a week ago, and then one more at the end of December. That should be the end of it, as long as that old bone infection stays away. The December surgery pushes my driving schedule from mid-January to early February. At this point we'll be lucky to get two months in at the park. But we'll make it,...better late than never! ----- My walking is slowly strengthening, but still have a way to go. I can only hope that in another half year or so I should be closer to "normal." ----- My best to one and all when you get there!

Claude and Renée Bariteau were busy traveling this summer. They went on a trip to Europe (Venice) for two weeks in June and went to Vancouver to visit Renée's daughter Christine and her family for another two weeks in September. We also paid a three-day visit to Pat and Marty Schoonman in mid-August in their New Hampshire home. Claude and Renée expect to arrive here sometime this week.

We had a surprisingly large gathering to help celebrate Harry and Lonnie Curtis' 25th Wedding Anniversary last Sunday in the Rec Hall. Paul and Janey Cottrell, Jim and Carol Millspaugh, and Sanford and Bobbie Speer also attended. Check my photo album on my webpage referenced above.

Mike Falk sends along the following birth announcement,

Pam and I would like to announce the arrival of Levi Martin Kroaning....our 1st (and probably only) grandson...a 1st among 3 granddaughters...he weighed in at a whopping 9lbs 11 1/2 ounces all is well with all involved Mike and Pam Falk

Monday Nov 7 9:00 AM: First Park Meeting of the season. This is an informal get together each week to discuss up coming activities, park announcements, weekly sports scores and happenings, and 50-50 weekly drawing. This is an excellent opportunity to meet your neighbors and enjoy coffee and refreshments. EVERYONE is invited to attend.

Please send along any news you think may be of general interest to our park guests, send it and any photos as well to my email address in the above page header.

As in the past we have had several interesting "life Experience" presentations and want to

hear from other persons who would like to contribute to this interesting activity. I will provide audio/video assistance to anyone wanting to use our video projector system.

Our current 50-50 weekly drawing balance is \$246 carried over from last season and available for a new project that would be of benefit to our activity functions and park guests.
